

PLEASE leave Indiana's NO CALL list the way it is. We used to recieve anywhere from 10-15 UNKNOWN NAME UNKNOWN NUMBER (telemarketers) calls a day!! It got to where we wouldn't even answer the phone.It happened day, night and weekends. Do you realize how annoying that was?? Since we have been on the NO CALL LIST, we don't get them anymore. Thank goodness! SO PLEASE DON'T CHANGE INDIANA'S LAW!
Thank you!
